Financial Regulations are approved by full Council and can only be amended by full Council. Where there is a Finance / Governance Committee with TOR which includes review of documents, that Committee will make its recommendations to full Council for their approval.

These regulations were approved May 2025 and will be updated annually unless the law or the council’s financial activities change, or professional and competent advice is given requiring this to be done sooner.

The RFO must prepare year-end adjustments, retaining a record of adjustments that were made in preparing the income and expenditure accounts for the previous financial year; examining
